**Brief Description of Arguments to be Presented:**

Rejection of claim 41 under 35 USC 112 and support in the specification to overcome the rejection, including without limitation, an example in paragraph [0087] showing a collapsed update (updates that have been collapsed to the point of roughly one day) is integrated with T0 (representing data from eight days ago) to advance the data of T0 one day.

An interview was conducted on the above-identified application on \_\_\_\_\_.

**NOTE:** This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
